

LEADER PRESENCE

With COACHING

Practice creating greater impact through leader presence!

1-Day Workshop

Multiple presentations with coaching

How you will benefit...

- Become aware of areas in need of improvement using your video-recorded presentations
- Develop your presence through vocal and visual elements
- Practice methods to connect with any audience
- See examples of effective presence
- Learn the importance of facial expressions to any message
- Practice stage movements for your standing presentations
- Review all aspects of your body language and practice different methods of delivery
- Use tools to exercise your alignment between the 3 channels of communication
- Learn how to balance your projection of confidence and approachability
- Receive one-on-one coaching from an iSpeak Coach

Course Content

- **What is Leader Presence?**
 - Differentiate leader presence from presence
 - Learn the two elements of the first impression
 - How to overcome fear and anxiety of speaking
- **PRESENTATION: Presence**
 - Deliver an introductory message to the audience
 - Personalized coaching
- **3 Communication Channels**
 - Alignment of the channels and mixed messages
 - Vocal and Visual channels
- **Applied Exercise: Quotes**
 - Deliver a quote to audience
 - Implement coaching to change your delivery style
- **Final PRESENTATION**
 - Present your message and implement all techniques learned in the workshop

Course Activities

Group Discussions:

Discuss what makes speakers with presence memorable.

Then, review methods used to overcome fear and settle the nerves before speaking to an audience.

Baseline Presentation:

Deliver a message to the group and receive feedback from both peers and a professional coach.

Quote Exercise:

Deliver a quote and receive immediate coaching. Then, apply a new delivery technique to generate a different effect on your audience.

Final Presentation:

Deliver your final presentation to implement all you've learned and receive coaching.

Who should attend?
